

Do you like to watch horse racing? Then you can try betting on these exciting races. By betting on a game you can not only support the old sport financially, but you can also fill your own bank account. If you make the right prediction about a race, you can make a big winning.

Bet on horse racing and win much money at CITIbet

In horse racing you can certain wagers for as little as ten cents up to a dollar you could win thousands. When betting on horse racing you have many betting options.

You can bet on:

Exacta: The exacta is one of the more popular exotic wagers. Exactas are offered on every race at most tracks. An exacta requires you to select the first two finishers of a race in exact order.

Quinella: Quinella wagering requires you to select the top two finishers in a race, but you don't have to pick the exact order of finish. Quinella is very similar to exacta but is not as popular.

Trifecta: Trifecta is another of the more popular exotic wagers. This wager requires you to select the first three finishers of a race in the exact order.

Superfecta: Superfecta has grown in popularity over the past few years and requires you to select the first four finishers of a race in exact orders. Superfecta is usually offered on selected races throughout the day.

Do you have no experience with betting on horse racing? Then we advise you to first go to a race and see how other people bet on the horses at Citibet.

Researching the horses is also recommended. If you go to the race track well prepared, your chance of winning is a lot higher than if you go to the race completely unprepared.

By not betting too much money in the beginning at Citibet, you keep the betting fun for yourself. And if you want to go a step further by betting a little more money, this is of course always possible.
